

GRRL HAUS CINEMA

Hello filmmakers, producers, writers, and artists!

A huge thanks to each of you for contributing your creative work to our 2023 events. GRRL HAUS appreciates all contributors who played a vital role in the success of our 16 events, featuring over 150 talented artists in experimental, low-budget, and underground cinema.

Special shoutout to our dedicated community, volunteers, and audiences for supporting our mission to amplify underrepresented voices in cinema.

We appreciate our venues—Brattle, Loophole, and Mobile Kino—for their support in showcasing diverse and groundbreaking films. The unique perspectives of the artists enriched our DIY culture and expanded cinematic expression.

Thanks to all who made 2023 unforgettable. Here's to continued collaboration and creativity in the years ahead!

We're excited about screening our 2024 pre-selects submitted during the 2023 season. Here's a look back at all of our 2023 events and a preview of some of the screenings that will be happening in 2024.

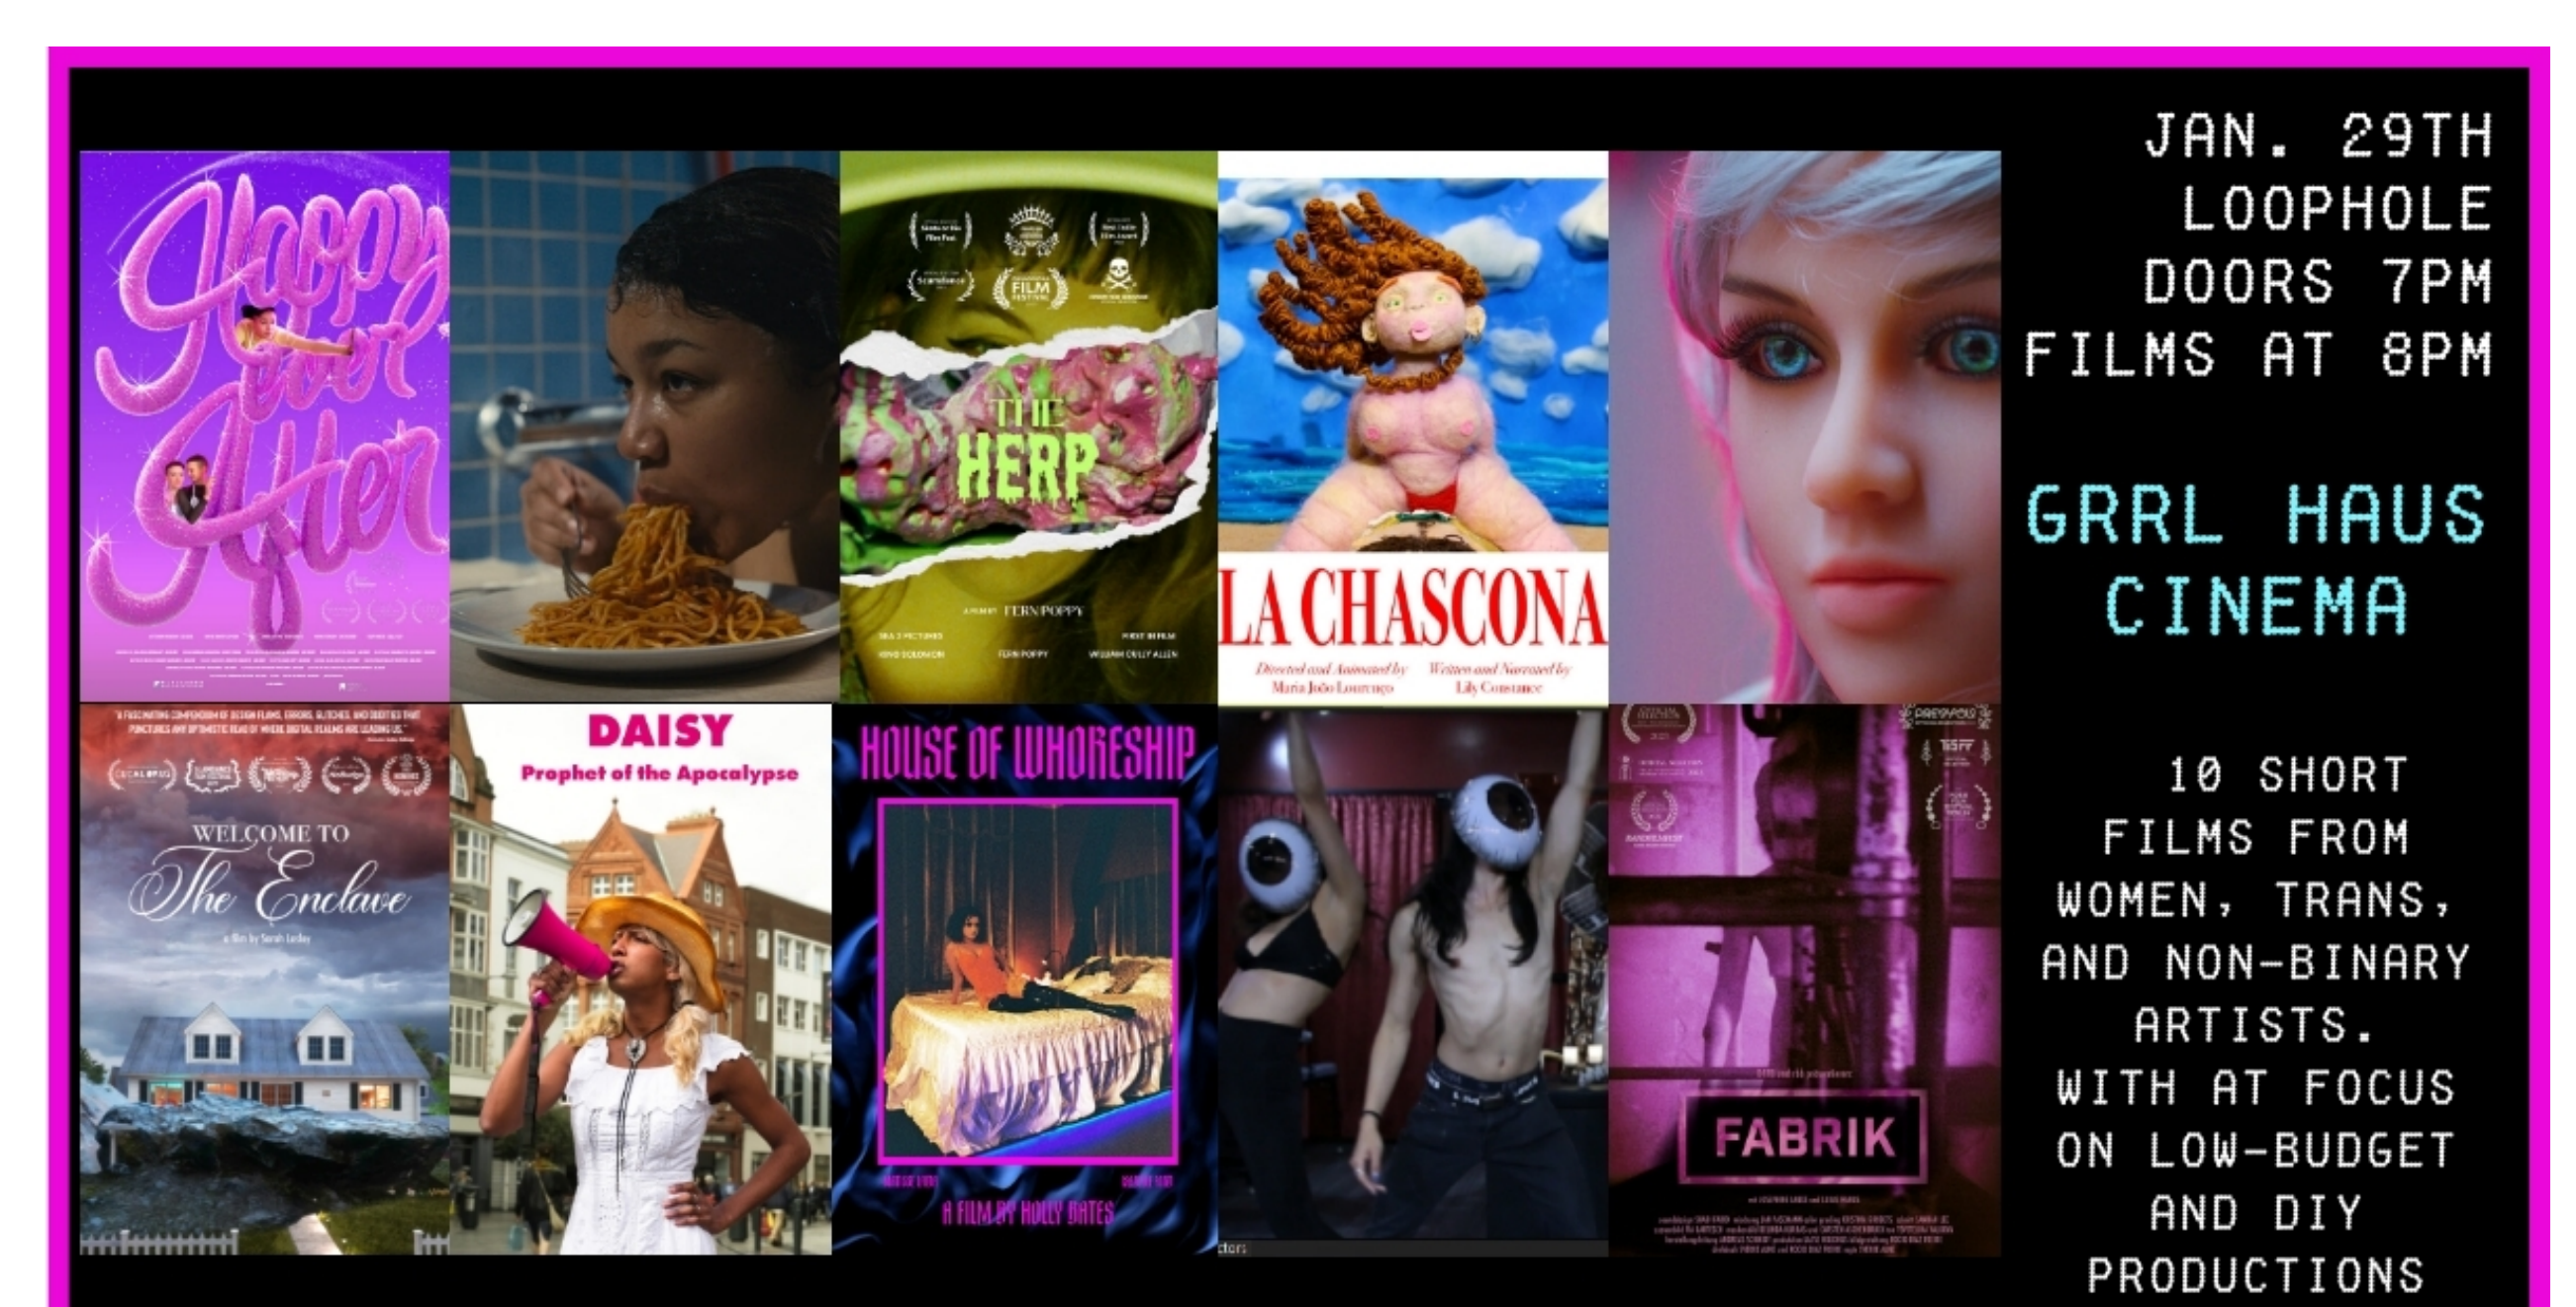

Sincerely,
GRRL HAUS
